Accommodation

Description

The available space comprises the 2nd floor of Emperor House. The building was let in its entirety to LV= on completion in 2017 with the 2nd floor now surplus to requirements. The building is of high specification with a modern fit-out which has seen little use and is therefore in very good condition. Designed with a central core the floor can be split with each wing having shared use of a central kitchen and breakout area.

Each wing has a meeting room as well as partitioned areas for photocopiers and storage. The desks shown in the photos are available. 2 lifts serve the floor and there is a shower accessed from the lobby.

Parking

The 2nd floor benefits from 20 car parking spaces.
