Description

A modern detached industrial warehouse unit of steel frame construction with vertical rib plastic coated sheet clad elevations, beneath a profile mono-pitch roof incorporating translucent light panels and insulated with rockwool.

Internally the unit comprises warehouse and workshop space, an office and WC. The office area and WC are constructed of concrete breeze block and decorated throughout in an emulsion paint, with timber effect vinyl floor coverings.

The industrial warehouse area provides an internal height of approximately 4 metres at the lowest part rising to approximately 4.5 metres at the highest part, measured to the underside of the eaves haunches.

Access for loading is by way of a sectional overhead loading door, and there is also separate access for pedestrians within the front elevation.

An area for car parking and loading is located to the front of the building.
