Accommodation

Description

The unit itself is of steel portal frame construction with insulated profile steel cladding to the roof and external elevations, concrete flooring and breeze block internal walls. The unit has a manual roller shutter door and a separate pedestrian access point. The roller shutter door measures approximately 3.7m in width and 5m in height.

Male and female toilets are provided within the property, along with an additional space suitable for installing a small kitchen. The unit is fitted with sodium lighting. The maximum working height is 7.5m, with a minimum eaves height of 6.2m.

Parking

The unit benefits from a parking area at the front of the property.

Services

The unit benefits from electricity and water supply but we understand that gas is not available. We confirm that we have not tested any of the service installations and any occupier must satisfy themselves independently as to the state and condition of such items.

Planning | Rates | EPC | Terms

Planning

We are verbally advised that the accommodation has planning consent for industrial use, but any occupier should make their own enquiries to the Planning Department of Caerphilly County Council. Tel: 01443 866416 or www.caerphilly.gov.uk.

Business Rates

The Valuation Office website states that from April 2026 the property has a rateable value of £13,250, resulting in rates payable of £6,651 for the 2026/27 financial year.

Interested parties should make their own enquiries to Caerphilly County Council to ascertain the exact rates payable as a change in occupation may trigger an adjustment of the ratings assessment (www.voa.gov.uk).

Energy Performance Certificate

The EPC Rating is C (53) and the full certificate can be provided on request.
