PATCH

Gloucester

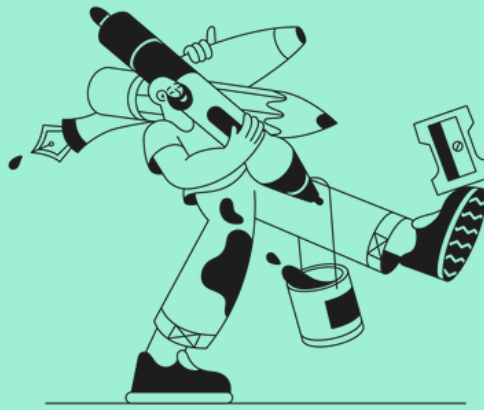

The Patch experience

Work. Events. Impact.

Workspaces built for productivity

Private offices, coworking studios, and fixed desks designed for focus, collaboration, and growth. Ideal for both solo founders and growing teams.

Inspiring event spaces

Meeting rooms, event studios, production rooms, and wellness spaces. Perfect for everything from focused team brainstorms to bold product launches.

A purpose-led community

As a proud B Corp, we unite businesses, local changemakers, and the wider community. We connect people who want to make an impact locally and nationally.

FASTCOMPANY

A force for local good

We're a certified B Corp making a difference. We empower purpose-led businesses, local organisations, and the wider community to create positive impact.

We provide a platform for community events, impact initiatives, and local partnerships. Ensuring inclusive, high-quality access to spaces for collaboration, training and big ideas.

PATCH

Gloucester

At the heart of Gloucester

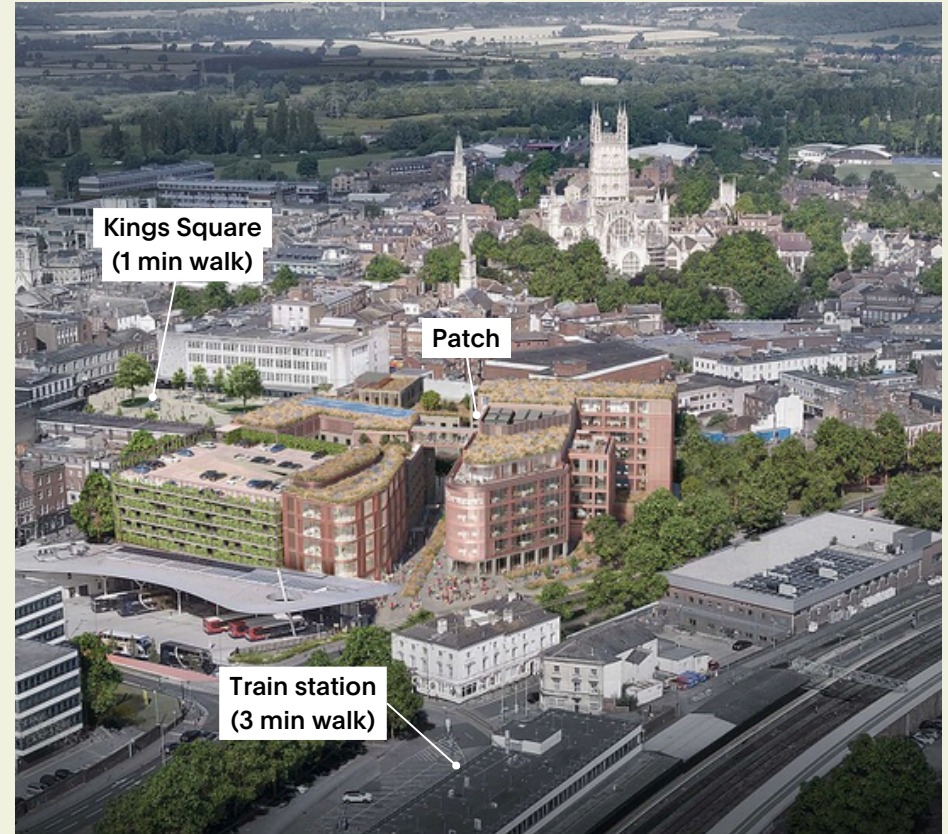

Patch is based in the centre of Gloucester in The Forum, the city's newest neighbourhood and home to a digital innovation campus.

Gloucester is one of the UK's most exciting places to build a business, with a thriving startup ecosystem and strong university links. Steps from Kings Square and next to the new University of Gloucester City Centre campus, Patch is at the centre of it all.

With Gloucester Quays, cafés, restaurants, and waterfront walks nearby, it's a brilliant place to work, connect, and thrive. Train and bus stations are just minutes away, keeping you connected to the wider region. [View us on Google Maps here.](#)
