Accommodation

Description

A refurbished industrial warehouse building with brick elevations under a new composite and well insulated roof incorporating translucent light panels along with solar arrays.

The unit comprises warehouse and office accommodation, and separate male and female WCs. Further benefits include a secure yard compound, circulation and car parking area.

Goods loading is via a sectional overhead loading door. The clear height is approximately 3.3 metres.

The unit has recently undergone significant refurbishment and could be suitable for a variety of uses, such as retail trade counter or other, subject to planning. Available from 1st May 2026.

Services

We are advised that all main utility services are connected to the building, and a significant proportion of the electricity used is generated from renewable sources in the form of Solar Panels.

We confirm that we have not tested any of the service installations and any occupier must satisfy themselves independently as to the state and condition of such items.
