► Accommodation

Description

Unit 10 comprises an end terrace warehouse building of steel portal frame construction, with profile metal cladding and part brick blockwork walls. The roof is profile clad and incorporates translucent panels at regular intervals.

The construction provides for a clear height of approximately 5.7m measured to the underside of the frame haunch.

Access is by way of an aluminium framed pedestrian entrance door and loading into the warehouse via an overhead sectional door.

Externally there are 5 car parking spaces and 1 disabled bay closest to the entrance.

Services

We are advised that main services are connected to the premises. We confirm that we have not tested any of the service installations and any occupier must satisfy themselves independently as to their state, condition and suitability.
