FINAL
PLOT

A PLACE TO THRIVE

Many sectors choose to base themselves in Taunton, including hi-tech, scientific and advanced industries, professional services and healthcare, with major employers including the UK Hydrographic Office, Claims Consortium Group, local government and Musgrove Park Hospital.

The creation of a new nuclear power plant at Hinkley Point C is an £18bn investment in the Somerset economy. With the development of a new £4bn Gigafactory focused on designing, developing and manufacturing sustainable batteries to support the UK's electric vehicle and energy storage sectors by Agratas (JLR) in Bridgwater is expected to be a key component in the UK's green energy transition. Production is scheduled to start from the new facility in 2026. This is all part of Somerset's strive towards a carbon neutral economy, where focus is not just on "green" sectors but an economy where all sectors are low in carbon emissions and compliant with a carbon neutral future.

Blackbrook is home to a number of businesses including professional services, healthcare & medical and hospitality. There are a range of facilities on the park with the adjacent Hankridge Retail Park also including a number of retail outlets and Sainsbury's superstore with further leisure facilities including an Odeon cinema and bowling alley. The Blackbrook Pavilion Leisure Complex, situated immediately south of the Park comprises a range of sporting facilities including a gym.

On site amenities include Kiddi Caru Day Nursery, Holiday Inn Express, Harvester Inn, with a BP Petrol Station, Londis and Subway at the entrance to the business park. A short walk away are Hankridge Retail Park including Sainsburys, Costa and Starbucks and Lisieux Way Local Centre (including Tesco).
